

## Watching our Channels via Roku

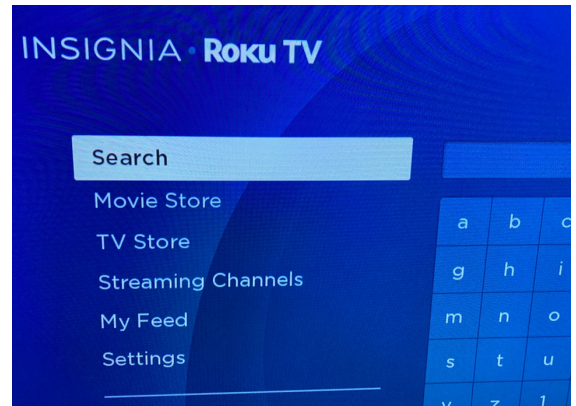

For Smart TVs with Apps

*(This example is for ROKU but works for Fire, AppleTV, Android)*

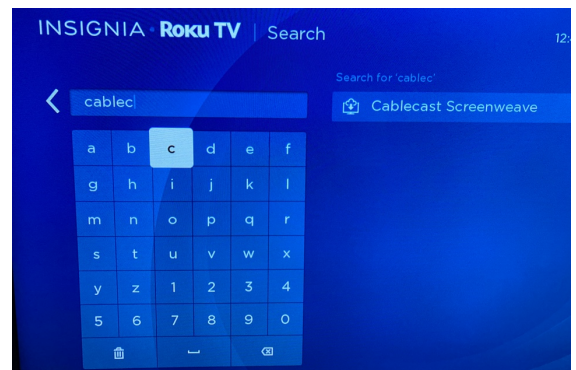

Go to the SEARCH function,

Enter/search for 'Cablecast Screenweave'.

Select or click on 'Cablecast Screenweave' when it appears.

Go to 'ADD CHANNEL' and select it.

The App will be added to your TV.

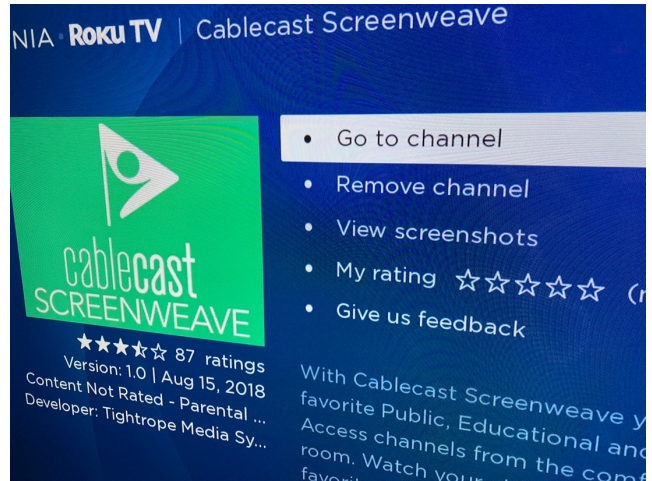

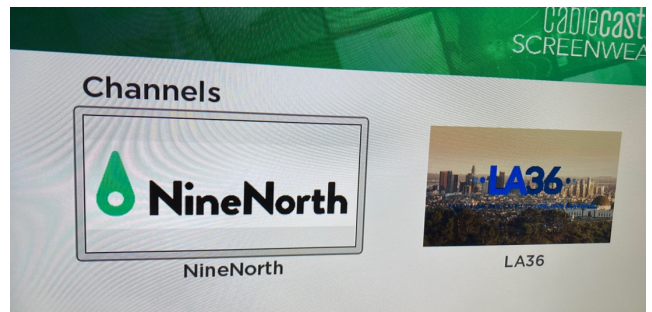

## Watching our Channels via Roku

When the App is done being added,

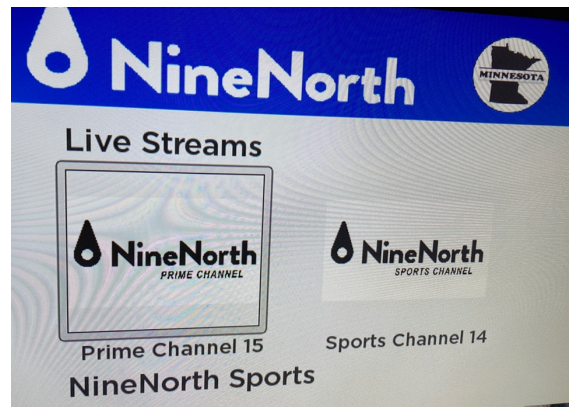

Select 'Go to Channel' to be able to search for **NineNorth**.

Scroll across the channels until you see **NineNorth** and Select it.

NineNorth's Channels will appear.  
Select the Channel you wish to view.

Ch. 15 - Community  
Ch. 14 – Sports

Select/Click the PLAY button to watch the Channel.
